GUIDE TO THE SUPPLEMENTARY INFORMATION

The supplementary information to the Public Accounts for the fiscal year ended March 31, 1992 is divided into two sections:

- **Personal Services** - This section provides summary and detail information on payments for personal services, and includes both general and extraordinary payments. Extraordinary payments include compensation and severance payments. The information is provided by department and combines personal service payments of revolving funds where applicable. Individuals who received $2,500 or more are reported. Individuals who received less than $2,500 are grouped to form one total.

  Employees are described by method of appointment (in-scope, out-of-scope, contract, and other). The appointment category of "other" includes Orders in Council, honorariums, Judges, Minister's assistants, Speaker's Orders and MLA's. Employees are further categorized by position **type** (permanent, temporary, part-time, casual, labour service and other types). Other types include contracts, honorariums, Judges and MLA's.

- **Other Payments** - This section lists payees who received $20,000 or more for goods and/or services supplied to the Consolidated Fund, Revolving Funds and the Saskatchewan Heritage Fund during the fiscal year. The payments are those classified as Supplies and Services, Advertising, Contractual Services, Purchase of Equipment and Other Assets, and Other Expenditures in Volume 2 of the Public Accounts.
